Dear Ms. Newman:

On July 25, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 9, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-On Schedule B of your report, you have disclosed contributions to or expenditures made on behalf of a federal candidate for which you have failed to provide the state, office sought, and district (if applicable). Please amend your report to include the missing information in the field titled "Purpose of Disbursement" for each applicable entry. (11 CFR §104.3(b)(3)(v))

An adequate response must be received at the Commission by September 6, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Jonathan B.
